\*Not required for household delivered ACM done by the public

*For additional entries, please use extra pages*

I, \_\_\_\_\_  
(full name)

on behalf of

\_\_\_\_\_  
(Company name, if applicable)

Address

\_\_\_\_\_  
(Company OR private individual's residential address)

Hereby certify that the asbestos waste described above has been handled in accordance with:

- **For Licensed Contractors** – *Occupational Safety and Health Act 1984* and Part 9 of the Code of Practice for the Safe Removal of Asbestos 2nd Edition [NOHSC: 2002 (2005)]  
or:
- **For the homeowner self-removal of asbestos material (non-friable)** - *The Health (Asbestos) Regulations 1992* and the publication "Don't play renovation roulette – safe practices for homeowners repairing or removing small amounts of asbestos materials" from **[www.asbestosawareness.com.au](http://www.asbestosawareness.com.au)**

- ✓ I will be disposing within the approved/arranged designated area at the Bruce Rock Landfill site;
- ✓ I will shut the gates and lock the padlocks when leaving the site; and
- ✓ In the event the undersigned does NOT return the key OR reports the loss of the key then I accept accountability for the full financial cost for the replacement of the key or and/or padlock as the case requires on a cost recovery basis.

Signed: \_\_\_\_\_ Date: \_\_\_\_\_

Contact phone number: \_\_\_\_\_

Queries regarding this matter should be directed to the Bruce Rock Shire Environmental Health Officer Mr J Goldacre on **0447 127 731** or by **email: admin@brucerock.wa.gov.au** or to the Administration Office (Shire of Bruce Rock office) located 54 Johnson Street, Bruce Rock, 6418 Ph: **90611 377** if the EHO is unavailable.

**(!)** Prior arrangement required for disposal. Please contact the Shire Office to arrange a date and time to access the Asbestos disposal area **UNDER STRICT SUPERVISION ONLY**. It is preferable the disposal is done on opening days only otherwise extra fees will apply, also in the event the landfill loader forks are needed to remove the asbestos from the delivering vehicle. Note, the Shire can assist if able to on a cost recovery basis on application to the Works Supervisor **M: 0499 599 468**.

**BRUCE ROCK LANDFILL SITE DISPOSAL ACKNOWLEDGEMENT**

(Staff only – GL Code 101304)

I hereby acknowledge **acceptance/rejection** (please circle) of the volume of asbestos waste described in the table above at the Bruce Rock Landfill Site.

Signed: \_\_\_\_\_ Date: \_\_\_\_\_

Full name: \_\_\_\_\_

Position: \_\_\_\_\_

Original to be filed in 'Asbestos Disposal' records, copy only of signed 'DISPOSAL OF ASBESTOS' to be given to licensed contractors only for their legal record of proper disposal as required by WorkSafe WA.

**Fees for disposal at Bruce Rock Landfill Site**

Waste Type	X GST	GST	Total
Wrapped Asbestos Waste - per m <sup>3</sup> *	\$48.18	\$4.82	<b>\$53.00</b>
Secured Asbestos contaminated soil - m <sup>3</sup> *	\$48.18	\$4.82	<b>\$53.00</b>

\*m<sup>3</sup> = Length X Width X Height

1m<sup>3</sup> of ACM material is approximately 1,500kg

You will be invoiced by the Shire of Bruce Rock if payment is not made on the day.

Failure to dispose in the appropriate/approved location without prior approval by a Shire of Bruce Rock staff member will result in the person responsible being invoiced for the cost of removing the waste.

Where pallets are used to support an asbestos load, these can be disposed of with the asbestos waste.

Only asbestos waste generated within the local government district of Bruce Rock can be accepted at the Landfill Site.
