

## **Public Notice**

### **Apex Park Playground and Babakin Playground**

Please be advised that the decommissioning of Apex Park Playground and Babkin Playground will commence this week. This action is necessary due to the structures becoming unsafe and unstable for young children.

As part of the Main Street Revitalisation Plans, a new playground is being developed, and work is progressing in the background to bring this exciting project to fruition.

We kindly request that you avoid the area while our crew conducts the decommissioning of the equipment. While these playgrounds are no longer accessible, we would like to remind you that the playground at the recreational centre remains open for use.

The Shire thanks you for your cooperation and apologises for any inconvenience this may cause.

If you have any queries or concerns regarding this, please contact our Administration Office on 9061 1377.
